**Notes:**

- [1] Community colleges are shown in order of total dual credit enrollment for the fall 2018 semester within each region.
- [2] Within a community college, high schools are shown in the same order as in the underlying documentation.
- [3] Additional fees are included in Cost Per Course amounts where applicable. They are included in Cost Per Credit amounts only where explicitly noted.
- [4] A number of community colleges did not provide cost information for dual credit courses and are excluded from the table. The following colleges are excluded.
  - North:** South Suburban, Harper, Kishwaukee, Elgin, Morton, Oakton
  - Central:** Joliet Junior, Illinois Valley, Lincoln Land, Kankakee
  - South:** Lewis and Clark, Kaskaskia, Southwestern Illinois, John A. Logan, Southeastern Illinois, Shawnee
  - Chicago:** Richard J. Daley, Harold Washington, Kennedy-King, Olive-Harvey, Wilbur Wright, Malcolm X, Harry S Truman
- [5] Although the **College of Lake County** (North) provided dual credit course cost information, the costs reported were substantially larger than for other colleges, and appear to have been reported as total cost (rather than student or credit level). As they are difficult to compare, they have been excluded from the table.
- [6] Four colleges (**Frontier**, **Wabash Valley**, **Olney Central**, and **Lincoln Trail**) provided joint information as Illinois Eastern Colleges; however, they are difficult to compare to other colleges and have therefore been excluded.

**Sources:** Community College Responses to Freedom of Information Act request for data related to course-level dual credit enrollment for the most recently available three years.
